JR. BOYS' VOLLEYBALL

This past Friday, your junior boys volleyball team battled the #1 ranked North Park Trojans for the AABHN Championship right here in our home gym. Your Mustangs were neck and neck with the Trojans in each of the first two sets, dropping them by just 2 points each. The Trojans used this momentum to take control and win a third and decisive set, claiming the title. As one of the youngest teams in the league this year, your Mustangs have a lot to be proud of as they head into their CWOSSA Championship tournament this coming Friday. Members of the team are asked to attend a meeting in the gym hall at the beginning of lunch to discuss the tournament and pickup permission forms. Well done, and good luck at CWOSSA, Mustangs!
