### Principal's Message

As another school year winds down at Cayuga S.S. I would like to share some of my thoughts after finishing my first semester at CSS. What I have observed is a school that provides multiple opportunities for students to be involved and successful at high school. Our Students' Council is one of the best I have seen in running activities and getting the students of CSS involved. Their organization of a Student Conference that brought in other GEDSB schools was very well received. As well the council organized Relay for Life, Spring Prom and Cayugapalooza to name a few more activities for students.

Our Drama program, lead by Ms. McEachern who is retiring, qualified for the regional Sears Festival during the Spring. Their performances were very well done and received many compliments from the Sears adjudicators.

Athletics at CSS had a busy semester. The Girls Volleyball team lost out in the SOSSA championship match, but forced Eden SS to play their best to win. CSS sent 3 athletes to the 2017 OFSAA Wrestling Championships in Markham Track and Field, Girls and Boys Lacrosse, Soccer, Badminton and Girls Baseball filled up the Spring sports season. I look forward to see the continued successes of our athletes next year. Our graduating class will return to CSS for Commencement on November 3rd and one final good-bye as they head off to future endeavors in education and work. On September 5th we will welcome to CSS the class of 2021, as well as the returning grade 10, 11, 12 students for another school year. Next year I look forward to working with the staff and students of Cayuga and build on past successes.

Have a great summer,  
  
 David Thomas  
 Principal

### Vice Principal's Message

It's with mixed emotions that I am leaving CSS. In September I will be the new principal at Paris District High School. I have truly enjoyed my time at Cayuga and will miss everyone. I would like to thank the students, staff, parents and community of Cayuga for all the support they have given me during my 3.5 years as vice principal. Enjoy the summer and have a great 2017-2018 school year.

~ Laurie Tottle

### Guidance

The guidance department would like to wish parents, staff and students a great and safe summer vacation!! As the school year comes to a close we are wrapping things up with scheduling for the new school year. Students wishing for a copy of their timetables may email me at: [john.drynan@granderie.ca](mailto:john.drynan@granderie.ca) and I will do my best to respond asap. Also, if there are other concerns that you may have during the summer months, please feel free to email me and hopefully we can work through it during the summer. Students who are taking a summer school course and need marks sent to college or university need to make me aware as soon as a mark is received to ensure post-secondary enrolment in September. Once again, have a great summer vacation!!
