Native Club

The Native Club had a very successful luncheon to conclude this year and will continue in the new term.

Business Leadership

The Business Leadership class had a very busy but rewarding semester. Highlights include a business luncheon at the Twisted Lemon, where the owners shared their Human Resources strategies and delectable food with students. The class competed in a Web Design Competition and designed a professional website for the Hub's Memorial Ride in Memory of Jeremy Huber organization. Congratulations to the winner, Claire Koppeser. The class also operated a variety of unique business ventures over the last couple of months. The businesses used successful marketing strategies to promote and sell their goods to CSS students and staff. A total of \$2,290 was raised and donated back to the school and local charities. Congratulations to all of the groups, especially the winner.....Sweet Tooth!

Relay for Life

Cayuga Secondary School's 14th Annual Relay for Life was held on Friday, May 26, 2017. Over 120 participants, including students from MPSS, raised over \$22,000 for the Canadian Cancer Society.

Four senior girls cut their long locks off to send for making wigs in support of the cause: Jana Arnold, Clair Koppeser, Kally McAlpine and Paige Smith.

CSS World Tour 2018

Anyone who would like to visit Italy and Spain next March Break can still sign up. The price is \$3,488 for students. Stops include: Rome, Florence, Pisa, Vatican City and Barcelona. Visit explorica.ca for information or email christine.kononiuk@granderie.ca.

Congratulations to **Trevor Patterson** who received a Life Skills Award from the Council of Exceptional Children. It is because of his hard work here at CSS with our Breakfast Club Program, recycling program, work in the library and numerous other behind-the-scenes jobs that he was the recipient of this award. Congratulations Trevor from the CSS staff and students!!

Co-op

Co-Operative Education is a fabulous opportunity for students to earn credits toward their high school diploma and to explore, first hand, a career that they may be considering. A wide variety of placements are available including: automotive, radio broadcasting, machining, veterinary services, nursing, business administration, law, hairstyling, etc... After working in their chosen field for one semester, many students take steps to continue towards this career while others find out that perhaps this career is not something they wish to pursue. Students can participate in a 2, 3 or 4 credit Coop experience and they may use up to 2 Coop credits as a compulsory credits. In addition to the regular program some students may become involved in OYAP (Ontario Youth Apprenticeship Program) if they are doing their placement in a skilled trade.
 CO-OP GOING BEYOND....EXPANDING YOUR FUTURE!!!

YLCC – The leaders of next year's grade 9 orientation went to a training camp at Youth Leadership Camp in Orillia on May 17th and 18th. This was an opportunity to attend the grade 9 orientation event and sharpen their Leadership skills. The Leaders are excited to meet the new Warriors in September!!

PROM

Prom 2017 was held at the lovely Liuna Gardens on the shores of Lake Ontario. Paige Smith and David Ross were voted Prom Queen and King. The evening was a lovely way to celebrate the graduating students' final year at CSS. Special thanks to Mercedes Kirk for organizing the event and the staff and Administration for their support.
