## WE'RE BACK!

### GREETINGS

Welcome to Grade 7 at James Hillier! I am pleased to have your child in my classroom, and I foresee a very successful, exciting, and productive year. I eagerly anticipate being a part of the academic progress your child will make.

Your child will find that I am tough but fair. I have extremely high academic and behavioral expectations for all of my students. I expect **EVERY** student will learn to the best of his or her ability and achieve more in one year than they ever thought possible.

Because you are an integral part of your child's educational success, I strongly believe that home-school communication is of vital importance. I look forward to meeting and talking with you and hope that we can establish and maintain a positive relationship between the home and the classroom.

### CONTACT

In order to help with communication, please provide your email in the space at the bottom of the page and return with your child.

Please feel free to contact me with a note or phone call to the school, or by email if you have any questions or concerns.

Regards,

Mark Kronwald (Mr. K)

### ITEMS OF INTEREST

- **Homework** - In general, any work that is not completed during class time is assigned as homework. Periodically, there may be assignments that require additional research or preparation to be done at home. **Students will be tracking their assignments and due dates with an organizational tool of their choosing.**
- **Phys. Ed.** - Currently, we have gym class on Days 1, 3 and 5. That being said, students should be prepared to do fitness/movement on a **daily basis**. Meaning, always have proper footwear and clothing ready to go. It is recommended that students have a separate set of clothes specific to fitness. In addition, at this grade level **deodorant is a must.**

### IMPORTANT DATES

September 13<sup>th</sup> - PA Day

September 18<sup>th</sup> - Picture Day

September 19<sup>th</sup> - Meet the Teacher
