# PETERSEN GR. 6

---

## Welcome Back!!

My Name is Adam Petersen. I am very excited to be joining the Hillier Community. There are a few things to know as we get started.

A little about me. This is my 15th year teaching. I have 2 children, my son William is in Grade 5 and my daughter, Gabby, is in Grade 7. My wife, Mary, is a teacher also and she teaches at BCI.

We will be using a site called [www.Schoology.com](http://www.Schoology.com) for all info grade 6. This site will allow you to see what is for homework, upcoming dates in the calendar, permission forms that need to be signed etc. More information on how to sign up for the site will be coming home soon. Your student should be able to help signup/login and get set up. There is also an app for android and apple for your convenience.

The best way to get a hold of me is through email ([adam.petersen@granderie.ca](mailto:adam.petersen@granderie.ca)) or calling the school (519-752-2296).

I am looking forward to working with you and thank you for allowing me to partner with you in the education of your children.

This picture is from the trip my wife and I took this summer to London and Paris. What you see behind me is "Tower Bridge". The same bridge that is in 'Spiderman: Far From Home'.
