A Note From Mrs. Braha

- Welcome back to school! I hope everyone had an exciting and fun-filled summer. One of the highlights of my summer was when my family and I took a trip out east and explored P.E.I... It was a very welcomed change of pace!

FYI

This year I will be continuing to try to write in your child's agenda daily. I will give you a summary of their day and pass along any pertinent information to you (through a written message or sending information/permission forms). If you need to get in touch with me, you are more than welcome to leave me a message in the agenda or contact me through email or by phone.

I can be reached at:

Phone Number: 519-752-2296 x 125003
