Welcome to Grade 6!

I hope that you and your family had a wonderful summer and were able to enjoy some relaxation time! I am very excited to get to know your child and watch them grow throughout the year. Homework

In order to encourage good organizational, work and study habits and provide extra practice, this fall, Grade 6 students will be expected to set aside 20 minutes each day to complete a homework challenge. Challenges will be assigned and recorded in the homework section of the Communication notebook. Challenges will be directly related to academic content already covered in the classroom or research based. If your child states that they do not understand the challenge, please encourage them to try and write a note with the attempted homework. We will work on the challenge together at school.

Please contact me with any questions or concerns. Take care, Mrs. Hinrichs
