

Bonjour!

Déjà ensemble, nous avons appris beaucoup ! Nous continuons avec l'enthousiasme !

Last month, we reviewed some grammar points and the students were introduced to "La journée des Franco-Ontariens". The flag representing French Ontarians is pictured above.

This month, all grades would benefit greatly from reviewing the conjugations of the verbs "Avoir" and "Être". As we move forward, having a strong grasp of these verbs will prove very necessary. The topics per grade are listed below.

GRADE 6

- A) names of buildings
- B) conjunctions
- C) the French alphabet, sounds and accents
- D) conjugating the verb "Aller"

GRADE 7

- A) conjugating the verb "Vouloir"
- B) conjugating the verb "Pouvoir"
- C) the imperative tense
- D) identifying sounds and the placement of accents

GRADE 8

- A) "IR" and "RE" verbs
- B) the imperative tense
- C) the past tense with the verb "Avoir"

A wonderful effort by many students has been made at this start of a new year. Keep it up!
