PETERSEN GR. 6

Coming Up

Happy Halloween!

We have our music trip to Hamilton coming up Wed. November 6th. Looking forward to hearing the orchestra and music that is going to be performed.

Apps Mill is another trip coming up Wed. November 13th. This is an opportunity for students to explore the environment while integrating their developing knowledge of Bio Diversity. More information to come including the permission form.

Parent-Teacher Interviews are coming November 14-15. Please return your blue sheets with scheduled times. Along with the interviews are the progress reports that go home that same week. I am asking that the students accompany you to the interview so we can celebrate what is going well and give next steps on what may be needed to be improved.

The best way to get a hold of me is through email (<u>adam.petersen@granderie.ca</u>) or calling the school (519-752-2296).
