Volunteers Needed!! - Student Nutrition Program

Our Student Nutrition Program desperately needs new volunteers to prepare and serve healthy snacks on Tuesdays and Thursdays from 9:30 am to 11:30 a.m. The program is operated **100% by volunteers!** Without volunteers the Program cannot run.

Only a couple hours a week can help support Lynndale students to receive healthy, nutritious food. If you would like to help or need more information, please email lynndalepc@gmail.com.

November Spirit Days

The Lynndale Heights Student Council will be organizing two Spirit Days during the month of November. Wednesday, November 13 will be "Hat Day" and Wednesday, November 27 will be "Wacky Hair Day". Student Council members will visit each classroom on these two Spirit Days (as well, of course, on Positive Shirt Fridays) and award a point for each participating student and teacher. Lynndale Heights is Nut-Aware

Please remember to avoid peanut butter or other nut-based products in your child's lunch. Many other products are available that, although not nut or peanut-based, mimic the look, smell and texture of nuts and peanuts. These products are not permitted at school as they can be mistaken for the real thing. We simply cannot run the risk of any student or staff member being exposed to peanuts and nuts, as they can cause severe allergic reactions. The safety and health of our students and staff must come first.

For more information on the Grand Erie District School Board's Anaphylaxis (allergic reactions) Procedure SO115, please visit <https://www.granderie.ca/>. Thank you for your continuing cooperation.
