Cookies with Santa

On December 13th, James Hillier will have the annual “Cookies with Santa” event. Classes will be invited down to the gym to enjoy cookies with Santa Claus.

Students are welcome to bring a present for the toy drive on this day.

Indoor Shoes

Please remember on Day 2 and Day 4 of the cycle we have gym. Students need appropriate foot wear in order to safely participate in gym.

With “boot weather” now approaching it is a good idea for students to have a change of shoes at school for the in classroom.

Class Christmas Celebration

On the last day before the break, we will have a class celebration during last block. If you send in treats to share with the class, please make sure that they are store bought and peanut free. Students will not be eating the treats at school. We will be putting them in a holiday treat bag and bringing them home (like we did at Halloween).

Have a safe and happy holiday break!
