

The name of my new school is James Hillier.

I will see Mrs. Dalby at the office. She is the school secretary.

Our school Principal is Mr. Nurse. His office is near the front door.

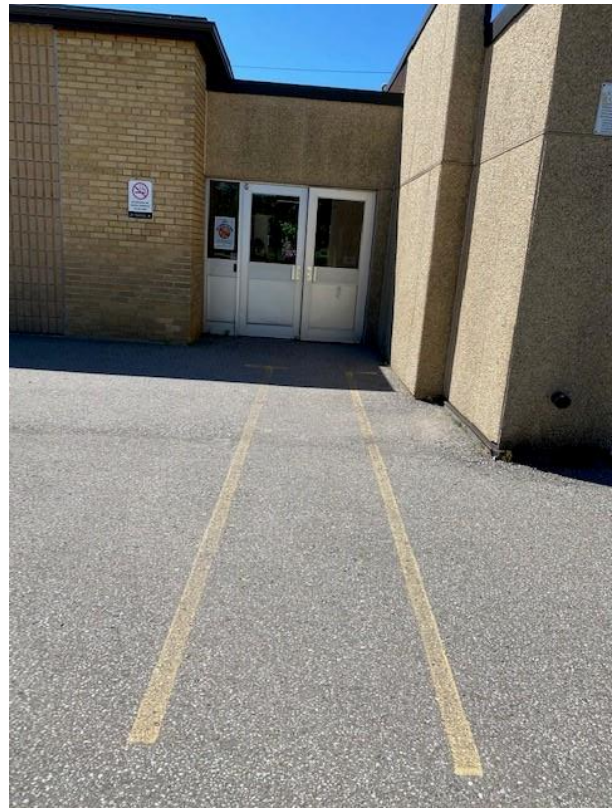

This is the gym. I will come here
for assemblies and gym time
with my friends.

This is the school yard where I will stay in the boundaries and play safely during recess.

These are the entrances to my classroom from outside. I belong to the Kindergarten A's!

Mrs. Fox will be my
Kindergarten teacher.

Mrs. Hanchiruk spends a lot of time working with us too, she is the EA in our class.

This is where I will hang my coat and backpack. I will also keep things in my cubby space.

This is the carpet and workspace in my class.

There are many different areas in my classroom to explore.

I will make friends and have fun
working and playing in my class
at James Hillier School!
