

September 18, 2021

Hello Brier Park Families,

Our first few days together as a whole group went well. Students were excited to see their friends. Some of our new students commented on how nice the students were at Brier Park. What a great comment to hear!

Thank you to our families for practicing social distancing when you are dropping off or picking up your child(ren). I appreciate your help as you park on Brier Park Road, Ravenwood Road, Wildflower Lane, Blackfriar Lane or Tanglewood Drive. Please do not use the Brier Park School Parking lot or Kiss and Drop Area for now. With Kindergarten students being dropped off at the two gates, the area is congested due to social distancing. I want all students and families to be safe. Using the parking lot on Ravenwood has also been helpful. **Please continue these practices for the near future.**

Thank you to our families for returning the current information sheets. If you have not returned the sheets, please do so on Monday. Indigenous Self-identification forms are being sent home today and it is a voluntary action. If desired, please return the form on Monday too.

Our students are becoming experts at lining up on the dots. Some practice is still needed for practicing social distancing when close to others. We'll get there! Teachers are having students sanitize their hands upon entry and exit throughout the day.

Thank you again for your co-operation and support as we learn how to keep ourselves and our friends safe at school.

Have a great weekend,  
Mrs. Brittain
