How will we achieve this goal?

- Increased opportunities for staff and students to voice their experiences and perspectives in a variety of communication and learning platforms.

- Increase Indigenous language and curriculum offerings across the district.

A Message from the Six Nations Trustee

Shekoh – Sgeno – Sge:no – Shekohli – Weh sgeno – Cwe:n

Greetings in all of our six languages: Mohawk – Cayuga – Onondaga – Oneida – Seneca – Tuscarora.

The 2021-22 school year continued as one of responding to change, as the pandemic forced transitions between in-person and online learning. Despite these challenges, I am very pleased to see the progress toward student success outlined in this Report.

Over the course of the year, and continuing into this new school year, Grand Erie was able to invest in new resources that directly supported Indigenous students. With the addition of a new Cultural Mentor, there are now four of these educators working directly with Onkwehonwe students in schools, supporting them on their secondary school journey. There was also new technology and new training for staff.

Strong collaboration with the Native Advisory Committee and the Indigenous Education Advisory Committee – both made up of Grand Erie staff and community members – helped make these successes and investments possible.

Claudine VanEvery-Albert
REPRESENTS SIX NATIONS STUDENTS UNDER THE ESA

Grand Erie also made a strong effort to ensure student voice was able to impact decision-making at the classroom, school, and system level. Each year, Grand Erie welcomes an Indigenous Student Trustee. For this school year, 2021-22, Grand Erie welcomed Sierra Green as the Indigenous Student Trustee.

Grand Erie has a team of staff and student champions dedicated to supporting Onkwehonwe students and Indigenous education. They regularly go above and beyond, supporting not just in the classroom, but directly impacting students and families supporting learning, well-being, and belonging.

Thank you, Six Nations, for your ongoing support. Progress would not be possible without your leadership in embracing learning pathways for our students and recognition of the importance of community connections.

I look forward to continuing to work with all of you, Grand Erie, and our committed educators to continue to support success and achievement for Onkwehonwe students in Grand Erie.

If Six Nations parents wish to talk with me, I can be reached at claudine.vaneveryalbert@granderie.ca, cva807@gmail.com, or by phone at **519-445-0186**.

Beyond the Education Services Agreement

POLICY P02 - Honouring Indigenous Knowledges, Histories and Perspectives

POLICY P-02

Board Received: May 30, 2022 | **Review Date:** June, 2026

The Grand Erie District School Board recognizes it has an important duty to first and foremost act in the best interest of students and reflect the community it serves.

In 2015, the Truth and Reconciliation Commission (TRC) of Canada concluded its work resulting in 94 far reaching Calls to Action, including a number specifically focused on education, covering residential school history, recognition of treaties and the effects of colonialism, in order to redress the legacy of residential schools and advance the process of Canadian reconciliation.

The Six Nations of the Grand River and Mississaugas of the Credit territories are located within our board community. The legacy of residential schools, and colonialism, continues to be felt today by these communities, as well as by the Metis, Inuit and urban First Nations families and students we serve. As part of reflecting its community, Grand Erie supports the Calls to Action of the TRC through a set of actions which serve to honour Indigenous histories, knowledges, and perspectives.

Grand Erie acknowledges the diversity of Nations across Turtle Island. Where possible, the specific nation's name will be used; otherwise, the term Indigenous will be referenced in print, or otherwise.

The Truth and Reconciliation Commission of Canada was formed as a result of recognition of the cultural genocide and assimilation inflicted upon Indigenous people in Canada for generations and in concluding its work, created 94 Calls to Action including numbers 62 and 63 specifically focused on education.

For the purposes of this policy, the Grand Erie District School Board will focus on 63 ii, iii, iv as expectations for the system.

63. We call upon the Council of Ministers of Education, Canada to maintain an annual commitment to Aboriginal education issues, including:

- ii. Sharing information and best practices on teaching curriculum related to residential schools and Aboriginal history.
- iii. Building student capacity for intercultural understanding, empathy, and mutual respect.
- iv. Identifying teacher-training needs relating to the above

We build a culture of belonging to support an equitable, inclusive and responsive environment for each learner.

This provides Six Nations Students with an additional layer of support for their success. The 2021-22 Board Action Plan for Indigenous Students provided for a plethora of initiatives that directly impacted Six Nations students including:

Orange Shirt Day – September 30, 2021

Many schools within Grand Erie hosted a number of school-based Orange Shirt Day activities during the week of September 27 – October 3 in order to:

- Increase awareness about the truth and impacts of Indigenous residential schools in Canada;
- Honour the children who attended residential schools;
- Remember the children who did not make it home.

Graduation Recognition 2021

Grand Erie partnered with Six Nations Elected Council, Mississaugas of the Credit First Nation, Six Nations Polytech, Kawennio and the Brant-Haldimand-Norfolk Catholic DSB to host the “Honouring Their Successes” to celebrate all the communities graduates 2021 from Grade 8 to Post-Secondary.

National Day of Awareness - MMIWG

May 5th is Canada's National Day of Awareness to bring attention to the national tragedy of missing and murdered Indigenous women and girls.

In Canada, Indigenous women and girls are 12 times more likely to go missing or be murdered than any other group.

Targeted for violence more than any other group, a 2019 National Inquiry into MMIWG named this crisis a genocide.

Staff and students across Grand Erie are encouraged to wear red on this day as a means to remember these women and their families, and to raise awareness about this very important issue.
