To support this work, efforts have been made by the Indigenous Education Team, Native Counsellors and additional Cultural Mentors/Graduation Coaches who are working directly with students, to monitor the progress of students from registration to graduation. Several new initiatives have also been put into place to support students across the district and within communities; these fall within four areas. New! Dedicated Space to Support Indigenous Students

Gathering spaces for Indigenous students were established at Brantford Collegiate Institute, Hagersville Secondary School, McKinnon Park Secondary School and Tollgate Technological Skills Centre. These spaces provide students a central location for quiet study and additional learning support, cultural activities, and access to the Six Nations Student Nutrition Program. Grand Erie Indigenous Graduation Coaches oversee the activities of the Learning Commons areas in these schools.

Supporting Professional Development Opportunities

The Indigenous Education team works together to provide professional development opportunities that enable teachers and Grand Erie leaders to increase their knowledge and awareness of Indigenous cultures, histories, traditions and perspectives as well as to enhance their capacity to support Indigenous learners more effectively. Opportunities are provided as an Indigenous Education initiative or by the inclusion of an Indigenous lens through various department initiatives.

With the professional learning related to Indigenous Education, Grand Erie is able to further foster staff capacity and thereby further the work of Indigenous Education in a broader and deeper way to the success for every student.

Indigenous Allyship Award

The Indigenous Allyship Award is a donation for a \$1,000 award for ten (10) years gifted by former Superintendent of Indigenous Education, Denise Martins, and an anonymous donor in recognition of the enriching opportunity to ally with Grand Erie's Indigenous staff, students and community. Commencing with the 2020-21 graduating class a Grand Erie graduate of Indigenous ancestry will be selected as the recipient of this award on the basis of the strength of character they have shown in successfully obtaining their Ontario Secondary School Diploma. The term Indigenous is inclusive of students who have self-identified as First Nation, Metis and Inuit.

This year's recipient is Emily Brown, a grade 12 student, who attended Delhi District Secondary School.

A huge congratulations to graduating student Emily Brown on winning the Grand Erie District School Board's Indigenous Allyship Award for 2022! This award is granted to an Indigenous student in Grand Erie who has demonstrated exceptional leadership in promoting awareness and education around issues of Indigenous significance to their school.

Emily is a proud Mohawk, Snipe Clan member and has shared her cultural pride over the last four years with great passion. She has participated in countless opportunities to educate staff and students at Delhi District Secondary

School (DDSS) over the years and never passed on an opportunity to learn more about her Indigenous traditions and culture. It is because of Emily, and other Indigenous Student Association members, that Raiders have made strides in creating an atmosphere of understanding, respect and fundamentally Reconciliation here at DDSS.

Emily will use the prize money of \$1,000 to support her as she starts her academic career at Brock University in September. We wish Emily continued success as she leaves DDSS.

Beyond the Education Services Agreement

POLICY P02 - Honouring Indigenous Knowledges, Histories and Perspectives

POLICY P-02

Board Received: May 30, 2022 | **Review Date:** June, 2026

The Grand Erie District School Board recognizes it has an important duty to first and foremost act in the best interest of students and reflect the community it serves.

In 2015, the Truth and Reconciliation Commission (TRC) of Canada concluded its work resulting in 94 far reaching Calls to Action, including a number specifically focused on education, covering residential school history, recognition of treaties and the effects of colonialism, in order to redress the legacy of residential schools and advance the process of Canadian reconciliation.

The Six Nations of the Grand River and Mississaugas of the Credit territories are located within our board community. The legacy of residential schools, and colonialism, continues to be felt today by these communities, as well as by the Metis, Inuit and urban First Nations families and students we serve. As part of reflecting its community, Grand Erie supports the Calls to Action of the TRC through a set of actions which serve to honour Indigenous histories, knowledges, and perspectives.

Grand Erie acknowledges the diversity of Nations across Turtle Island. Where possible, the specific nation's name will be used; otherwise, the term Indigenous will be referenced in print, or otherwise.

The Truth and Reconciliation Commission of Canada was formed as a result of recognition of the cultural genocide and assimilation inflicted upon Indigenous people in Canada for generations and in concluding its work, created 94 Calls to Action including numbers 62 and 63 specifically focused on education.

For the purposes of this policy, the Grand Erie District School Board will focus on 63 ii, iii, iv as expectations for the system.

63. We call upon the Council of Ministers of Education, Canada to maintain an annual commitment to Aboriginal education issues, including:

- ii. Sharing information and best practices on teaching curriculum related to residential schools and Aboriginal history.
- iii. Building student capacity for intercultural understanding, empathy, and mutual respect.
- iv. Identifying teacher-training needs relating to the above

We build a culture of belonging to support an equitable, inclusive and responsive environment for each learner.
