# Boundary Review Special Ad Hoc Committee: Previous Minutes

For approval:

- Waterford Boundary Review BRSAC Meeting #2

Minutes will be posted to the website after approval by the BRSAC

# Boundary Review Special Ad Hoc Committee.

## Waterford Elementary School – right size discussion

- Relatively small site size and the portables make supervision during outdoor time more challenging
- Washroom to occupant ratios are compliant with the Ontario Building Code. Functionally the school would benefit from less students and staff accommodated on site. 2 of the 4 kindergarten classes have washrooms within the classroom.
- There is not enough staff parking on site for the number of staff currently assigned to the school.

# Boundary Review Special Ad Hoc Committee.

## Waterford Elementary School – right size discussion

- 4 portables could be managed on site.
- Assuming 25 students per class. Target enrolment :  $285 + 100 = 385$  students
- To allow for uncertainty with student distribution, and class size caps Target enrolment :  $285 + 75 = 360$  students

# Boundary Review Special Ad Hoc Committee.

## Accomodation Option 1

- Waterford Public School Gr. 8 students accommodated at Waterford District High School.
