- (a) BRSAC Meeting #2
- C - 1 **Business Arising from Minutes** J. White/ R. Wyszynski
- (a) Option #1 – Shift the boundary lines.
- (b) Option#2 – Change the boundary line between KGS and MBS to Colborne Street. It won't help WOO but, it would take some pressure off of MBS with the new development in the old Canadian Tire.
- (c) Option #3 – Change the boundary line between CEN and KGS to Clarence Street. It won't help WOO but, it would take some pressure off of CEN. However, if the Arrowdale development happens then that could change KGS again.
- (d) Option #4 – Consider PJCVS which is close by and has available space. PJCVS could accommodate Grades 7-12.
- (e) Option #5 – Use the GELA building as a space for Grades 7 and 8 students. Superintendent Wyszynski will take that away and connect with Superintendent Graham.
- (f) Option #6 – Move approximately 170 students from WOO. Area 17 has 189 students and they are all bussed to WOO. These students could be bussed to another school(s)?
- (g) Option #7 – Branlyn School is not part of this boundary review but, does have space available as they are sitting at 64%. Could students from the WOO area be bussed to Branlyn?
- (h) Option #8 – CEN is very close to the schools listed below that are not part of this Boundary Review. Take pressure off of WOO by shifting the boundary lines.
- Graham Bell Victoria – 46%
 - Grandview – 48%
 - Prince Charles – 68%
