Principal's Message:

Wow, it is hard to believe that November is already here. There was a celebration of festivities on Monday October 31st, 2022. The children really enjoyed all the activities in the classrooms and throughout the school.

On November 4th, Progress report cards are sent home. These reports are mostly anecdotal and are a good focal point for discussions. The interviews are held on Thursday November 10th in the late afternoon and evening and on the morning of Friday November 11th. Parent request forms were sent home on the 14th of October for you to choose a convenient block to connect with your child's teacher. These will need to be returned to your child's teacher by October 26th. In your child's report card there will be a slip of paper that will state the time for your interview. If you become unavailable at the time that you were given, please contact the classroom teacher to make alternative arrangements.

Remembrance Day:

Poppies will be distributed to our students this year courtesy of the St. George Legion, there will be a collection box in the front hall for anyone who wishes to donate. On Thursday November 10th, Glen Morris students will be having a Remembrance Day assembly to honour our veterans that fought for our freedom.
