Minutes from the BRSAC Meeting #3, dated January 12, 2023 were reviewed and amended noting J. Pathak was present. The minutes were also amended to note under Item C-1 that discussion had occurred around consideration of the GELA site on Rawdon Street for accommodation of Grade 7 and 8 students. Inclusion of the GELA site was withdrawn from consideration as closing this site to secondary students would require a separate Accommodation Review process. The minutes will also reflect that new development in the Arrowdale is undetermined, therefore, housing growth in this community has not been considered or analysed.
