GREEN CONSTRUCTION

Superintendent Responsible: Superintendent of Business & Treasurer	Initial Effective Date: 2010/03/22
Last Updated: 2023/04/24	Next Review Date: 2027/04/27

Objective:

To acknowledge the impact of environmental issues such as climate change as well as rising energy costs and operating costs, in the construction of new schools and renovations.

Policy Statement:

The Grand Erie District School Board (Grand Erie) is committed to the development of green and healthy facilities that contribute to a sustainable future.
