Introduction

We appreciate your willingness to volunteer your time, energy and talents to make our school a better place for our children.

This booklet will help you become familiar with your role as a school volunteer. If you have any further questions or items to discuss, please do not hesitate to contact the school Administrator.

Grand Erie follows **Volunteers Procedure SO-046** available at granderie.ca.

Grand Erie values, supports and expects the involvement of school volunteers to enhance all aspects of school life for the benefit of students. Grand Erie believes that the presence and participation of school volunteers contributes to more effective partnerships between a school and its community.

Definition

A volunteer in a school may be a parent or caregiver who currently have a child enrolled in the system, a member of the community, a student or a Grand Erie employee, including a coach, who agrees to undertake, without pay or for academic credit, a designated task which supports a classroom, a classroom excursion, a school or a system-wide program.

Why Do We Have a Volunteer Procedure?

Parents/caregivers of children in our schools want assurances that the adults interacting with their children, whether it be in organized sports, leisure or learning activities, are respectful and have the best interests of their children in mind.

These expectations apply to the many volunteers who generously donate their time and talents to work in our schools.

Why Do We have School Volunteers?

- To increase opportunities for students to receive support, services and experiences by working with skillful, responsible adults.
- To supplement the school's personnel with the special knowledge, talents and time of caring parent/caregiver and community members.
- To expose students to adults who vary in age, culture, background and interest.
- To create a mutually rewarding experience for employees, students and volunteers.

Termination

Volunteers who do not adhere to Grand Erie policies and procedures, or undertake an unauthorized role, or fail to satisfactorily perform their volunteer assignment, may have their assignment terminated at the sole discretion of the Administrator or the appropriate Superintendent of Education.

What Preparations Should a Volunteer Have?

- To maintain confidentiality at all times by reporting any concerns to the volunteer contact or Administrator
- To refrain from disciplining students

Volunteers Acting in the Capacity of Coach

All facilities, equipment and activities have inherent risks. Supervisors should be trained to manage those risks. The Administrator will appoint a **Coach Liaison** who is a teacher or Administrator for every team with a volunteer coach. The coach liaison will provide supervision for all practices, games and competitions.

A school employee will accompany and be responsible for any team/individuals participating in out-of-town sanctioned competitions. All out-of-town trips will comply with relevant Grand Erie policies. A supervisory adult, as approved by the Administrator of the school and of the same gender as the athletes, will be present and on site for the duration of the competition.

Volunteer Drivers

Grand Erie requires all volunteer drivers to complete the Volunteer Driver form as required by Grand Erie policy. Please see your school Administrator for this form.

Safety At School

- Be sure to sign in and out, using the Visitor's Book (located in the main office), each time you visit the school
- Remember to wear a Volunteer Badge for identification whenever you are in the school.
- Ensure that you are familiar with the Emergency Plans (including fire exits) specific to the settings in which you are working
- Inform the Administrator/volunteer contact of any cases of suspected abuse
- Report issues related to student behavior to your volunteer contact immediately. Grand Erie employee will determine and carry out any necessary follow up
- Please inform the Administrator of any medical conditions that may impact your ability to volunteer (i.e., allergies, medication, chronic conditions) and provide emergency contact details.

Who Benefits?

Students, employees, volunteers, the community and the school!

Liability

Volunteers are insured under Grand Erie's **Public Liability Insurance Policy** when performing assigned duties in good faith and in a reasonable manner. Volunteers should be aware that Grand Erie's insurance does not include a loss of income provision (i.e., Workers' Safety Insurance Board) should the volunteer sustain an injury that prevents them from resuming normal employment.
