**TO:** JoAnna Roberto, Ph. D., Director of Education & Secretary of the Board  
**FROM:** Rafal Wyszynski, Superintendent of Business & Treasurer  
**RE:** **Rural and Northern Education Fund (RNEF) Spending Report**  
**DATE:** November 13, 2023

## Background

The Ministry provides funding, through the Grants for Student Needs (GSN), dedicated for school boards to further improve educational opportunities for students from rural communities. Funding is allocated to school boards based on the number of rural students and two factors measuring the density of rural student enrolment in the board.

School boards must use the funding for rural education based on local needs and report publicly on how the funding is used, such as:

- Improving programming and support services in rural schools
- Continuing the operation of rural schools; or
- Enhancing student transportation options such as late bus runs and mobile e-learning through tablets or Wi-Fi.

Schools must utilize the funding allocated to the board using a preliminary school list from the Ministry. The list is comprised of schools in which at least half of their students are from rural communities.

Boards are required to publicly post details of RNEF expenditures as well as those schools in which RNEF funding was spent. The report that will be posted is attached as Appendix A.

Grand Erie District School Board had unspent funds of \$1,553,908 from 2021-22 and received \$633,490 for the 2022-23 school year. Grand Erie only utilized \$625,516 of these funds and the unspent funds, totaling \$1,561,882, will be deferred to support eligible expenses for rural schools in the 2023-24 school year.
