*SUCCESS FOR EVERY STUDENT*

## **Attendance**

Parents are reminded that students are to be dropped off in the morning by the time the 8:50 bell rings, but no earlier than 8:30 when yard supervision begins. Students who are not prepared for class at this time are considered late and must attend the office to obtain an admit slip. Parents are welcome to bring their children in to the office. Students must sign in at the office before going to class.

Students who leave at some point during the day will be required to be signed out by the office. When picking students up, parents should ring the bell at the front door and wait for their child to exit the building. If someone other than a parent is picking a child up, **you must contact the school**. These practices are to ensure your child's safety.

Our attendance system is automated now, when your child is absent because they are sick or have an appointment, please use the SchoolMessenger app to report it. If the absence is not reported, you will receive an automated call from the school. Instructions are below on how to access it.

With SafeArrival, you are asked to report your child's absence in advance using any of these 3 convenient methods:

1. Using your mobile device, download and install the SchoolMessenger app from the Apple App Store or the Google Play Store (or from the links at <https://go.schoolmessenger.com>). The first time you use the app, select Sign Up to create your account. Select Attendance then Report an Absence.
2. Use the SafeArrival website, <https://go.schoolmessenger.com>. The first time you use the website, select Sign Up to create your account. Select Attendance then Report an Absence.
3. Call the toll-free number **1-833-557-9420** to report an absence using the automated phone system.

Successful students have good attendance. The attendance counsellor will be contacted for students who are chronically late or absent.

## **Drop off and Pick Up Routine:**

**Please do not park in the front parking lot or block any of the entrances to the school.** There are two parallel roads that surround Courtland Public School. If you are dropping off young children that need a parent escort, please park on Queens St. and walk them to the fence line for drop off or meet them in the front parking lot. If you have older children that don't need your escort, you can drop them off and pick them up on James St. All pick up and walkers will exit through the front doors at the end of the day.

### **Transportation:**

If you would like to receive notifications when your child's bus is delayed or cancelled, please follow the instructions below.

**Option 1:** Parent needs to create a parent account at <https://transinfobhn.ca/Login>

a. This will provide email notifications

**Option 2:** Download one of the two apps Delays or Chipmunk

b. Parents will use their parent portal credentials to log into the Chipmunk app

Details on how to create a parent account or download either of the apps are available at : <https://stsbhn.ca/faqs>

### **Our Breakfast/Nutrition Program:**

Our breakfast/nutrition program will be up and running the first week of school. Students have the option to select a healthy snack everyday from the class bins in the morning.

### **We Strive to be a Nut Free School:**

We have children in the school who have severe, life threatening food allergies (anaphylaxis) to nuts. This includes food which contains peanuts, peanut oil, or any other kind of nuts or traces of peanuts/nuts/shellfish in them. Products which contain nuts like Nutella are not permitted. Anaphylaxis is a medical condition which causes a severe reaction to specific foods and can result in death within minutes. This requires the attention of our entire school community to ensure students are safe. All our staff is aware of the situation and they have been instructed in the correct procedures regarding anaphylactic shock.

### **COPE Council**

One of the ways you can learn more about your child's education and become an active part of the school is to join our Parents' Council, COPE Council (Courtland Organization of Parents and Educators). This groups acts as in advisory role to the principal, a liaison to the community and a fundraising group. Our first scheduled meeting and elections will be on Tuesday September 10th at 6:00 pm in our Learning Commons. If you wish to attend, please email [Ryan.tyndall@granderie.ca](mailto:Ryan.tyndall@granderie.ca).

### **Paying for School Trips, Food Days, Miscellaneous Items:**

Grand Erie uses School Cash Online to as a safe and easy way manage payments for trips or food programs. This program eliminates the need for students to carry cash to school for such purchases. For safety and efficiency, Grand Erie is reducing the amount of cash and cheques coming to our school.

Through School Cash Online, you can pay for purchases and check out either through eCheque (which requires you sharing some of your banking information) or your credit card (like most online shopping experiences).

Visit [www.schoolcashonline.com](http://www.schoolcashonline.com) to register, and follow the process outlined on that site. There are flyers at the school outlining more detail about School Cash Online. For more information and support contact the Parent Help Desk at:

### **Telephones and Other Electronic Devices**

Although we do not encourage students to bring cell phones to school, we do appreciate their use for safety reasons when students are traveling to and from school and on occasion a teacher may give permission for students to utilize them as an **educational tool in class**. While on school property, however, cell phones must be out of sight. Electronic devices are not allowed in the washrooms, gym change rooms, or in classrooms during recess. The school will not take responsibility for lost or stolen devices. Students using electronic equipment on school property will receive one warning and the equipment will be kept at the school office until the end of the school day, when it will be returned. If students continue to use their electronic equipment at school, the equipment will be stored at the office and a parent/guardian will need to come to the school to pick it up. We request that parents do not text their children at school, nor should students be texting home. We are happy to pass on messages through the school office or permit a child to use a school phone when needed.

### **Toys and/or Personal Items**

Students are asked not to bring toys, trading cards, stuffed animals, electronic games, I-pods, MP3 players, digital cameras or any other personal items to school. It is best to leave sentimental and valuable items at home to avoid loss, theft or damage. The school and/or teaching staff are not responsible for any student's personal items.
