

Student Acceptable Use of Computers and the Internet Agreement

Background

Technology Resources, which include software, hardware, the Internet and other components, are an important ingredient to each student's education at our school.

Each student has the privilege of using the Technology Resources and must use them in an acceptable way.

Acceptable Use

As a general rule, students must use Technology Resources, including personal devices, in ways consistent with Provincial and Federal laws as well as consistent with the policies of the School and the School Board.

PROTECT

- I will not post information online that will put myself or others at risk.
- I will report any online attacks or inappropriate behaviour directed at myself or others.
- I will protect myself, my passwords and my resources.
- I will protect others by not forwarding inappropriate communications or materials.
- I will refrain from pirating or distributing digital resources that aren't free or don't belong to me.
- I will verify the accuracy of online information.

RESPECT

- I will give thoughtful consideration as to what personal information about my life, experiences and relationships I post.
- I will respect myself and others through my online actions and responses.
- I will not use electronic media to insult, bully, harass or stalk other people.
- I will not visit sites that are inappropriate.
- I will request permission to use online resources when necessary and cite all references to websites, books, media, etc.
- I will respect all equipment and all resources available to me.
