Brantford Rotary Race Classic

Walter Gretzky's Running Club did an AMAZING job at this year's Brantford Rotary Race! Students worked hard in weekly practices and every student beat their time goal at the 5K race. The team raised \$700.00 for local community children programs. Mrs. Bradish and Miss Otter are very proud of the team and the team spirit they showed throughout. Way to go! Keep up the training for next year team.

Un grand merci to our junior badminton team for representing the Gretzky Griffins with great skill and positivity at the badminton tournament; you all demonstrated great team work and dedication. Way to go Justin Zhang for coming in third in the boys' singles category. Thank you to parents for your continued support.
