

## Volunteers

"The road to success is not crowded. Because while most are looking for ways to take, the truly successful people are finding ways to give." ~ Unknown

Volunteers are welcome at the school. They model for the students the importance of helping others. Volunteers may assist in a variety of ways including:

- volunteering in a classroom
- reading with students
- assisting with trip supervision
- helping to coach a sport
- helping in the library
- fund raising
- assisting with our school's nutrition program
- participating on the Parents' Council

We always need more volunteers. If you are interested in becoming a volunteer, please contact the school.

All school volunteers are required to have a police check, which includes vulnerable sector screening. This must be completed every two years. Please contact Mrs. Toste at the school office for the required form.
