Message from the Principal

October 2018

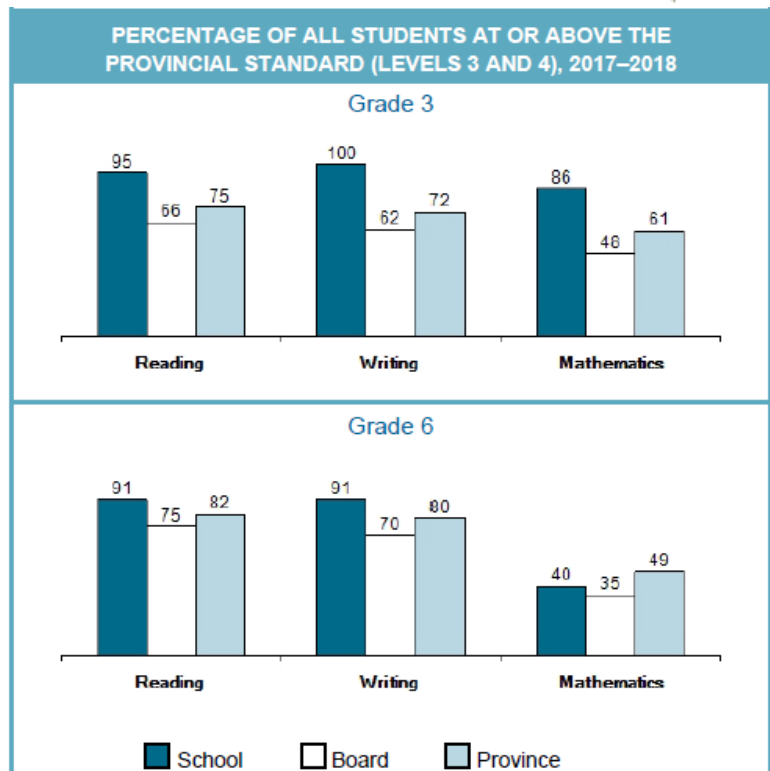

What a great school start up! I'm so pleased to see our kiddos settling into the school year nicely. We have quite an admirable bunch!

Both our Meet the Teacher Night and first Parent Council meeting were well attended. It is so nice to see how dedicated our parents, guardians and community are when supporting our students here at Port Rowan Public School. Note our EQAO scores below. We are above the Board in all areas for both grades!

October will be busy with soccer tournaments, flag football and various Fall safety drills.

Looking forward to spending a beautiful Fall season with your children.

Sincerely,
Lynda Kilpatrick

Tuesday, October 2 - Young Canada Day at the Norfolk County Fair – has been designated as a Professional Activity day by the Grand Erie District School Board. Except for scheduled events (like the Road Race), there will be no supervision of elementary students on this day. Students will be admitted free to the Fair on Young Canada Day and do not require a pass to enter the fairgrounds.

See attached flyer for easy online purchasing of any of school items.

All staff on the school yard will now be wearing brightly coloured safety vests in order to be easily seen by our students and each other.

We love for our parents and guardians to be involved at school, but when there are several adults on the yard it becomes tricky for us to know who is who. Please refrain from being on the school yard when we are all out there, so we can ensure the safety of your children.

School Council Start-up

Sponsored by the Grand Erie Parent Involvement Committee (GEPIC)

School Council Start-up Event – October 18

School Councils play a vital role in the education of all Grand Erie students through their work to promote and improve student achievement and school performance as well as their leadership in encouraging parent involvement at schools and learning at home. All Grand Erie Schools must have a school council. Additionally, school council elections must be held within the first 30 days of the school year.

Grand Erie's annual School Council Start-up, sponsored by the Grand Erie Parent Involvement Committee (GEPIC), takes place **Thursday, October 18 from 6-8 p.m. at Waterford District High School**. All School Council Chairs, Home and School Associations Chairs or Parent Teacher Associations Chairs as well as their members are urged to attend. The School Council Start-up is an important event for all School Council Chairs as key information is provided and great ideas are shared. **For details on the event and to RSVP visit:** <https://bit.ly/2MRCjqa>
