Dear Families,

SUCCESS for Every Student

We are in our third year of the 2016-2020 Multi-Year Plan and we strive for *SUCCESS* for all. We will achieve this through a focus on students and staff in a culture of high expectations.

The indicators that will support our goal include Achievement, Well-Being, Equity, Environment, Technology and Community. This year we will focus on equity for all.

## Strong Start

We wish Mrs. Blake a speedy recovery and we look forward to Mrs. Blake returning as our Strong Start Site Co-ordinator. In the meantime, we are very appreciative that Mrs. Fletcher has received the training necessary to be the Site Co-ordinator and is willing to facilitate this wonderful program at Mapleview School. If you are wanting to volunteer with Strong Start which help students learn strategies to strengthen their literacy skills, there are a few training sessions being offered at Thompson Creek E.S. on October 9th and 16th for you to attend.

If you are already trained in this program and would like to volunteer, please send Mrs. Fletcher an email at [Laura@laurafletcherdeisgn.com](mailto:Laura@laurafletcherdeisgn.com)

We would like to thank Bernie Corbett, James Richardson and neighbour Brian Styles for their efforts in obtaining a crossing guard for our school. Our new crossing guard is located on Fairview Ave. New signage and road markings are also posted.

## Moving Day!

It is hard to believe that we will be moving to our new school on Friday, November 9, 2018. Mustangs will have the day off and will return to school on Monday, November 12th. More information will be sent home within the November newsletter, if not before.

## School Council

Dear Families,

We met last month at The Minga and elected Laura Fletcher and Danielle Dunlop as our Co-Chairs for the School Council. We are excited about the move and look forward to future meetings to plan for our new school.

There is no School Council meeting in October.

Our Co-Chairs will be attending the GEDSB School Council Orientation at Waterford High School on October 18th.

We will meet on Wednesday, November 21, 2018 at 6:30 p.m. At The Minga. Please join us.

## Happy Hallowe'en

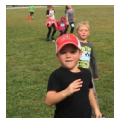

On Wednesday, October 31st, students can choose to wear either black and orange or bring a Halloween costume to wear during middle block only. We will have a parade of all the students at 11:30 a.m. Please remember, for school costumes, the following things are not permitted: weapons, masks and make up at school. Thank you for complying with these guidelines. If you are sending in snacks, no peanuts or nuts please. We are looking forward to having a fun day! After the parade, we will dance to a few songs and then all students will return to class.

## Sports Update

Look in our next newsletter for updates from the Coaches for Soccer, Orienteering and Cross Country. Good Luck Mustangs!

## Terry Fox Run

The Mustangs would have made our Canadian Hero, Terry Fox, very proud. They demonstrated perseverance while running laps at Kinsmen Park on Thursday, September 27th. Students ran over 7000 laps, which guaranteed 'punishment' to staff members, Ms. Bienker, Mr. Busse and Ms. Morphet. Ms.

Bienker had to wear a Montreal Candians Shirt, instead of her favourite team's jersey, which is the Leafs! Mr. Busse was drenched with water and Ms. Morphet was silly-stringed by Mustangs. Thank you to everyone for your donations to the Terry Fox Foundation. At press time, a total was not available.

**EQAO Results Overview:** Teachers administered the EQAO assessment to grade three and grade six students in May and June of 2018. The assessment consisted of three booklets (one for mathematics and two for language). The reading tasks involved fiction and non-fiction passages, followed by open-response and multiple-choice items. For writing, there were short and long writing tasks and multiple-choice items to complete. The mathematics booklet consisted of open-response and multiple-choice items. The student booklets were returned to EQAO to be scored by trained educators during the summer. Individual student results (ISR) will be forwarded to the parent(s)/guardian(s) of the students who participated in the assessments. Due to the low number of Gr. 6 students writing at Grandview, these results will not be made public to protect privacy, but ISR's will be sent home once received.
