

What is a Specialist High Skills Major (SHSM)?

An SHSM allows students to customize their high school experience to fit career interests. Offered in grade 11 and 12, an SHSM allows students to receive a specialized high school diploma that is recognized in various economic sectors in all four pathways.

What does an SHSM look like?

An SHSM is a bundle of 8 to 10 grade 11 and grade 12 credits that include two Experiential Learning (Co-op) credits.

What do you get by taking an SHSM?

- Sector-recognized certifications and training
- Real workplace experience
- Learning experiences connected with post-secondary opportunities
- Skills and work habits required for employment success

Specialist High Skills Major

The Restoration Program Auto Body, Auto Service, and Small Engines Focus Tollgate Technical Skills Centre

Students in the Tollgate Restoration SHSM learn the fundamentals of vehicle systems, safe and proper tool use and develop practical skills in transportation technology including interior and exterior finishes and repairs of vehicles.

*"I enjoy the Transportation SHSM because it helps me work toward my apprenticeship hours and I plan on doing my apprenticeship as an auto body mechanic. I love cars."
 Austin Marshall (Grade 12 student)*

Benefits of the Restoration Program:

- A focused approach to a career pathway
- Three senior credits (English, Math, and Science or Business) with units contextualized to the transportation industry
- A chance to work in the trade and apply skills and knowledge in a Co-operative work placement (two credits)
- Trade related certifications such as First Aid, CPR, WHMIS, customer service, and more, paid for by the SHSM program
